# Sir Isaac Newton

## by Kay K. Maves

Sir Isaac Newton,  
A very wise man,  
Said  
What ever goes up  
Must come down.  
Just like this song.  
Which otherwise might have been stuck there for ever!  
Poor song.

## Program Notes

This short song is intended to be an easy classroom teaching song for children.

Originally it was included in the popular series published by the now defunct American Book Company in the late 1960s.
